Re: Board of Appeals Nos. 997-1001

Dear Ms. Baerst:

Thank you for your letter dated December 3, 1997. In Cyprus's view the same value should not necessarily be assigned to water purchased under all of these applications, so in that sense "consolidation" would not be appropriate. On the other hand, Cyprus certainly does not intend to ask the witnesses to testify five times or to present five separate sets of exhibits. We agree that proceeding in such a manner would be a waste of time.

Cyprus will amend its Appeal of Appraisal to delete the request for adjustment to \$65.00 per acre foot. As you will see from its appraiser's report, investigation of the Department's "comparable sales" and other sales leads its appraiser to conclude that even \$65.00 per acre foot is unsupportable.
